PROMINENT WINFIELD DOCTOR KILLS HIMSELF

Winfield, Kan., Oct. 13.—Dr. A. B. Emory, 66 years old, proprietor of a
sanitarium here, caused his early
this morning by inflicting wounds
with a pair of shears which caused
him to bleed to death.

He stabbed himself in one eye, cut

two wounds across the breast and
wrist and inflicted wounds in his
thigh and legs.

HOW TO BE EFFICIENT.

Nothing saps the vitality like kid-
ney trouble. It causes backache,
headache, stiff joints, sore muscles,
"always tired" feeling, rheumatism
and other ills. To be efficient, you
must be healthy. Foley Kidney Pills
strengthen the kidneys, help them to
do their work of filtering out from
the system the waste matter that
causes the trouble. Sold every-

CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Is Harmless To

Clean Your Stomach
and Bowels.

Horrible! Take a dose of the dangerous
drugs tonight and tomorrow you may lose
a day's work.
Calomel is "mercury" or "quicksilver"
which causes necrosis of the bones.
Calomel, when it comes into contact
with your bile crumbles into it, breaking
it up. This is when you feel that awful
nausea and cramping. If you are slug-
gish and "all knocked out," if your
liver is torpid and bowels constipated
or you have headache, dizziness, coated
tongue, if breath is bad, or stomach sour,
just try a spoonful of harmless Dodson's
Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug
store and get a 50 cent bottle of Dod-
son's Liver Tone. Take a spoonful and
if it doesn't straighten you right up
and make you feel fine and vigorous I
want you to go back to the store and
get your money! Dodson's Liver Tone
is destroying the sale of calomel because
it's so safe. Liver medicines entirely veg-
etable, therefore it can not silitate or
make you sick.
I guarantee that one spoonful of Dod-
son's Liver Tone will put your sluggish
liver to work and clean your bowels of
that sour bile and constipated waste
which is clogging your system and mak-
ing you feel miserable. I guarantee that
a bottle of Dodson's Liver Tone will
keep your entire family feeling fine for
months. Give it to your children. It is
harmless, doesn't gripe and they like its
pleasant taste.

A Galley o' Fun!

ADVICE TO HOLIDAY DINERS OUT.

Compliment the host on his carvin-
and explain that inability to perfect
yourself in the art is the only obstacle
to your marrying and having a home
of your own.

Assure your hostess between mouth
fuls that the best restaurants can of-
fer nothing comparable to her viands;
that you have pined for home cooking
for years, and that even in your boy
hood days you have no recollection of
having enjoyed anything so much.

Pretend to have a tremendous ap-
petite and to have eaten enormous
quantities, but be careful to avoid
second helpings if the youngsters are
waiting for a second table.

Smile brightly when the old aunt
tells some of the 'cute baby sayings
of your host.

Agree with the old soldiers uncle
when he says the United States can
whip "Roosea" and all the other na-
tions of the world combined.

Display keen interest in the reports
of Cousin Abner's crops last season.

Laugh, and blush if you can, when
the host intimates you have matrimo-
nial designs on some girl they all
know that you hate.

And afterward be sure and beg the
daughter of the family to play for you
and to sing if she will, and when she
does, assure her that she ought to
study abroad.

Do these things—while you may
not have any fun, others will.

THE SURPRISED FROG.

"Golly! I s'pose he'll duck ag'in!"
"My! What an unreasonable col-
ored person! He seems angry be-
cause I object to concussion of the
brain!"

Her face is flat—expressionless.
Her eyes are dull and black;
Vociferously loud, her dress
is negligently slack.
Her attitude is wooden and
Devoid of any grace;
Yet, though you may not understand,
I long to see her face.

My every impulse toward her goes—
To see her how I yearn!
Those lifeless eyes, that crooked nose,
To view I fairly burn!
Think not I am a silly pill,
O'er homely girls to mull—
If I should draw the Queen I'd fill
A lovely royal flush!

LINES TO A GIRAFFE.
O long-necked creature at the Zoo,
How fortunate for me
My lady fair does not compare
In that respect with thee;
For I should need a prince's purse,
An income like an earl's,
Had I to deck so long a neck
All up and down with pearls.

HIS EXPERIENCE.

First Sandwich Man—Do they pay
you much?
Second Sandwich Man—No. There
ain't much money in these literary
jobs!

THE AMERICAN WAY.

Microbe on Apple—Why is yonder
man eating in such a tremendous
hurry?

Microbe on Pear—Appointment with
his doctor. He is taking treatment
for indigestion during his lunch hour,
you know!

FORCE OF HABIT.

"What did Senator Lark say when
the reporters informed him that his
wife had brought suit for divorce?"

"Millions for defense, but not a
cent for alimony!" he thundered, ris-
ing in his most impressive manner."

COTTON PRODUCTS TO BE CONTRABAND

ENGLAND TO STOP ALL EXPORTS
TO NEUTRAL COUNTRIES CON-
TIGUOUS TO GERMANY

London, Oct. 15.—In reply to a
question asked in the House of Com-
mons today as to whether the gov-
ernment was still allowing cotton to
go into Germany in certain cases or
under certain circumstances, Sir Ed-
ward Grey stated that raw cotton,
cotton waste and cotton yarn all have
been declared contraband and every
possible step has been taken to pre-

THIN FOLKS WHO WANT TO GET FAT

Increase in Weight Ten Pounds or
More.

"I'd certainly give most anything
to be able to fat up a few pounds and
stay that way," declares every ex-
cessively thin man or woman. Such
a result is not impossible, despite
past failures. Most thin people are
victims of mal-nutrition, a condition
which prevents the fatty elements of
food from being taken up by the blood
as they are, when the powers of nu-
trition are normal. Instead of get-
ting into the blood, much of the fat
and flesh producing elements stay in
the intestines until they pass from
the body as waste.

To correct this condition and to
produce a healthy, normal amount
of fat, the nutritive processes must
be artificially supplied with the pow-
er which nature has denied them.
This can probably best be accom-
plished by eating a Sargol tablet with
every meal. Sargol is a careful com-
bination of six essential assimilative
agents. Taken with meals they mix
with the food to turn the sugars and
starches of what you have eaten into
rich, ripe nourishment for the tissues
and blood and its rapid effect has
been in many cases reported remark-
able. Reported gains of from ten to
twenty-five pounds in a single month
by no means infrequent. Yet its ac-
tion is perfectly natural and abso-
lutely harmless. Sargol is sold by
all druggists everywhere and every
package contains a guarantee of
weight increase or money back.

NOTE—Sargol is recommended
as a flesh builder and while ex-
cellent results in cases of nervous in-
digestion, etc. have been reported,
care should be taken about using it
unless a gain of weight is desired.

vent any supply of these from reach-
ing Germany.

It was intended the Foreign Secre-
tary added, forthwith to declare as
contraband cotton piece goods and
other cotton products and prohibit
the export to neutral countries con-
tiguous to Germany and Austria of such
goods, capable of being used in the
manufacture of explosives.

Beware of Ointments for

Catarh That Contain Mercury

as mercury will surely destroy the sense
of smell and completely derange the
whole system when entering it through
the mucous surfaces. Such articles should
never be used except on prescription
from reputable physicians, as the damage
they will do is ten fold to the good you
can possibly derive from them. Hall's
Catarh Cure, manufactured by Dr. J. C.
Cheney & Co., Toledo, O., contains no
mercury, and is taken internally, acting
directly upon the blood and mucous sur-
faces of the system. In buying Hall's
Catarh Cure, be sure you get the genu-
ine. It is taken internally, and made in
Toledo, Ohio, by Dr. J. C. Cheney & Co., To-
ledo, Ohio.

Sold by druggists. 10c per bottle.
Take Hall's Family Pink for constipation.

Activities of Women.

Only one university in Japan is
open to women.

Dayton, O., has a woman as official
chiropractor for its policeman.

Mrs. Russell Sage celebrated her

87th birthday recently by giving \$60,
000 to institutions.

Women compose 72 per cent of all
those employed in the factories.

The Bulgarian wife never goes in-
to a public place unless she is ac-
companied by her husband.

Mrs. C. H. Vanderbeck of Philadel-
phia, eastern golf champion, now
holds the national golf crown for
women defeating Mrs. W. A. Gavin
of England, 3 to 2.

The Oregon public service commis-
sion has ruled that women should
not be compelled to step higher than
15 inches in boarding trolley cars.

For the first time in history that a
woman has acted as mayor of the city
the wife of Los Angeles happened re-
cently when Miss Estelle L. Lindner,
the city's lone councilwoman, acted
as head of the city administration in
the absence of Mayor Sebastian.

Brown Butter Sauce.

Melt two tablespoonfuls of butter
in a skillet till a dark brown, add a
teaspoonful of lemon juice and pour
over the oysters.

Broiled Oysters.

Select large oysters and wipe dry
dip in a little melted butter and
sprinkle lemon juice over them. Ar-
range on an oyster broiler and cook
over a clear fire. Serve on a slice of
hot toast with brown butter sauce.

Los Angeles, Cal.—Girls have you
caught on to the new fad? One is
a peace ring, made of silver with a
dove and an olive branch enameled
on it. The other is a sweetheart ring
in which the face of the girl's best
beau is worn.

HEADACHES.

Thousands of men and women suffer from
headaches every day; other thousands have
headaches every week or every month, and still
others have headaches occasionally, but not at
regular intervals. The best doctor is useless un-
less he can find the cause of many of these headaches,
and in most other cases, knowing the cause, he
does not know what will remove it, so he gives
a permanent cure. All he can do is to prescribe
the usual pain relievers, which give temporary
relief, but the headache returns as usual, and
sometimes with more violence. If you suffer from
headaches, no matter what their nature, take
Anti-Kidney Tablets and the trouble will be a
permanent cure. You can obtain them at all
drug stores in any quantity, the worth,
be worth or more. Ask for A-K Tablets.

SICK HEADACHES.

Sick-headache, the most miserable of all sick-
nesses, forces its attacks when A-K Tablets are
taken. When you feel an attack coming on,
take two tablets, and in many cases, the attack
will be washed off. During an attack take one
A-K Tablet every two hours. The rest and com-
fort which follow, can be obtained in no other
way.
Genuine A-K Tablets bear the M. mon-
ogram. At all druggists.
